

Tech Sheet: Boeing Vertol CH-46 Sea Knight

(boeing-vertol-CH46.pdf)

Covers, Plugs, HeatShields and related items for the CH-46 Sea Knight

Section 5: HeatShields & Sun Reflectors

Heatshield Interior Reflectors are made of a special laminate of metallized polyester film and closed cell foam. Less than 1/8" thick, the Reflector can fold up flat and store in a sleeve, yet is stiff enough when flat to stand up against the windshield using the sun visors and window framing only. On some designs no Velcro or suction cups are necessary. **Heatshields** are an excellent short-term remedy for cockpit overheating, but use the **Bubble Cover** for more effective and practical long term protection.

Covers, Plugs, HeatShields and related items for the CH-46 Sea Knight
