manufacturer of the finest custom-made aircraft covers

Tech Sheet: Embraer EMB-170/175

(embraer-M170.pdf)

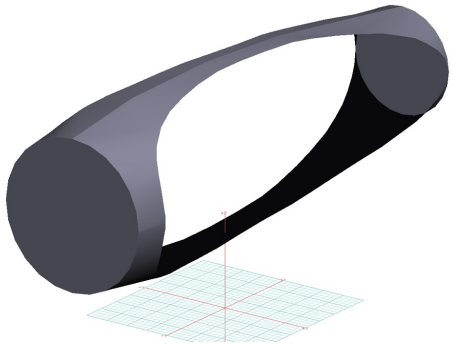

Boeing 737 FOD protection Intake Plug, folding type

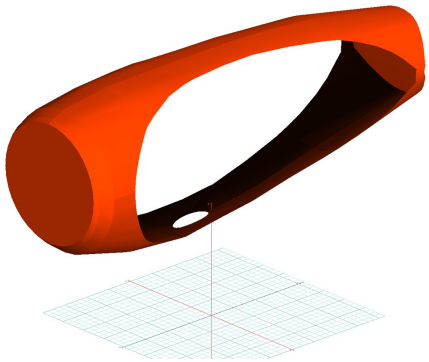

Section 2: Engine Covers

The **Embraer EMB-170/175 Bikini Style Engine Covers** are a single-piece design using a soft and smooth stretchy and fabric. The cover stretches tightly over both the intake and exhaust, installing quickly and easily. These covers are designed to be used as hangar dust covers and have a useful life of approximately one year.

The **Engine Inlet Plugs** are custom fit for your Embraer EMB-170/175 intakes, made with heavy-duty vinyl material, and stuffed with a single block of sculpted urethane foam. Each plug has a zipper that allows the foam to be removed and dried if necessary. Engine plugs have 'remove before flight' streamers sewn onto the face of the plugs. Most plugs are imprinted with the aircraft registration number in black for an extra charge. Storage bag NOT included. Engine plugs may be inserted after flight when the engine is still warm. Engine Inlet Plugs are commonly referred to as Cowl Plugs, Intake Plugs, Cowl Blocks, Engine Blocks, and Engine Bungs.

Gulfstream G550 Engine Covers, Bikini Type (3D Model)

Cessna Citation 680 Engine Cover, Bikini Type

Description	Part Number	Price
ENGINE INLET COVERS (set of 2)	**M170-110**	**$3045.00**
ENGINE COVERS, Hangar Use, Bikini Type (set of 2)	**M170-130**	**$905.00**

Section 3: Plugs & Protection

The **Engine Exhaust Plugs** are custom fit for your Embraer EMB-170/175 exhaust openings, made with heavy-duty vinyl material, and stuffed with a single block of sculpted urethane foam. Each plug has a zipper that allows the foam to be removed and dried if necessary. Exhaust plugs have 'remove before flight' streamers sewn onto the face of the plugs. Most plugs are imprinted with the aircraft registration number in black for an extra charge. Exhaust plugs may be inserted soon after flight when the engine is still warm. Engine Inlet Plugs are commonly referred to as Cowl Plugs, Intake Plugs, Cowl Blocks, Engine Blocks, and Engine Bungs.
